

TERMS AND CONDITIONS FOR GREENLAND ADVENTURE TRIPS

Last update: September 2024

REGISTRATION

By registering for one of our cruises, you acknowledge and accept these general conditions.

This is a cruise onboard with embarkation and disembarkation in Ilulissat. Please note, this is not a trip organized by an agency. You remain the organizer of your own travel arrangements to and from the boat, including any necessary hotel stays. **Escales Polaires** is solely responsible for the maritime cruise service. The captain has full authority over the daily itinerary.

Accommodation is provided in double cabins, and the maximum number of participants is 12.

ITINERARY

First Day (J): Embarkation begins early afternoon, no later than 3:00 p.m. Please note that if you arrive earlier, we cannot store luggage or provide assistance.

Days J+1 to N-1: Explore the wonders of Disko Bay.

Last Day (N): The final day of your charter is typically reserved for exploring Ilulissat, creating a time buffer in case of any weather or technical delays, ensuring you don't miss your return flight. Disembarkation is scheduled for 10:00 p.m.

If your flight requires it, you may stay aboard an additional night, disembarking at 9:00 a.m. after breakfast.

PHYSICAL FITNESS

For the safety of all passengers and to ensure the success of shore excursions, it is important not to underestimate the physical demands of this trip. Given the remote nature of the trip, participants must possess the necessary physical fitness (e.g., being able to climb a 3-meter vertical ladder). Seasickness is possible, and participants must be able to manage it without additional medical support.

This trip is not suitable for people with physical disabilities, pregnant women, or children under 10 years old. If you have any medical conditions, allergies, or require special treatment, please contact us prior to registration. A medical certificate may be required to confirm your fitness to participate.

The captain has the right to refuse boarding to any individual deemed unfit for the trip, without refund.

In case of epidemic risks, **Escales Polaires**, the captain, or local health authorities may require health screenings or questionnaires. Anyone testing positive will be denied boarding without refund.
